National Credit Union Youth Month

We'd be "lion" if we said saving was easy but when it comes to our children learning about saving it's "monkey see, monkey do." Your children are watching and learning their financial habits from you so be sure you are showing them the right way!

April is National Credit Union Youth Month and we would like to use this opportunity to get our youth members WILD about saving! Here at FGCU we offer an account for children of any age! Our goal is to get them excited to learn about money and on the path to a bright financial future!

If you haven't already opened a FGCU account for the little ones in your life, stop in now, or come celebrate with us during the month of April! During youth month we will have special youth month goodies to hopefully get our kids WILD about saving!

61st Annual Meeting

The First General Credit Union annual meeting is an opportunity for us to show our appreciation and support for your membership.

As a member of First General Credit Union, you are part owner and have 1 vote towards any important decisions, which is what makes being a credit union member so special! We would like to invite you to join us at First General Credit Union's 61st annual meeting to learn about the current financial status of your credit union, as well as our goals and ideas for the upcoming year. It is our main goal as a credit union to better serve you, our member, so aside from hearing our ideas we would also like to hear from you! We invite you to share any ideas, suggestions, concerns, or comments that you feel would help us make First General Credit Union a better place.

Open to all members!
